

HPCI Planter Box

ABOUT

The HPCI Planter Box is a stylish and functional addition to your office or home, designed to sit seamlessly on top of a Tambour door cupboard or Lateral Filing cabinet. Its sleek design allows you to introduce greenery into your workspace, creating a more inviting and productive environment. Suitable for both artificial and live plants, this versatile planter box is perfect for adding a touch of nature and a pop of color to your surroundings.

Designed with practicality in mind, the HPCI Planter Box accommodates 200mm pots and features an integrated drip tray to manage excess water and protect your furniture. Whether you prefer low-maintenance artificial plants or vibrant live greenery, this planter box offers an easy way to enhance your space while maintaining a clean and professional look.
